# THE TAJ MAHAL PALACE, MUMBAI

# A MUMBAI WEDDING JUST HAS TO BE AT THE TAJ MAHAL PALACE. AND WHO BETTER TO HOST IT THAN ITS OWN GRAND DAME?"

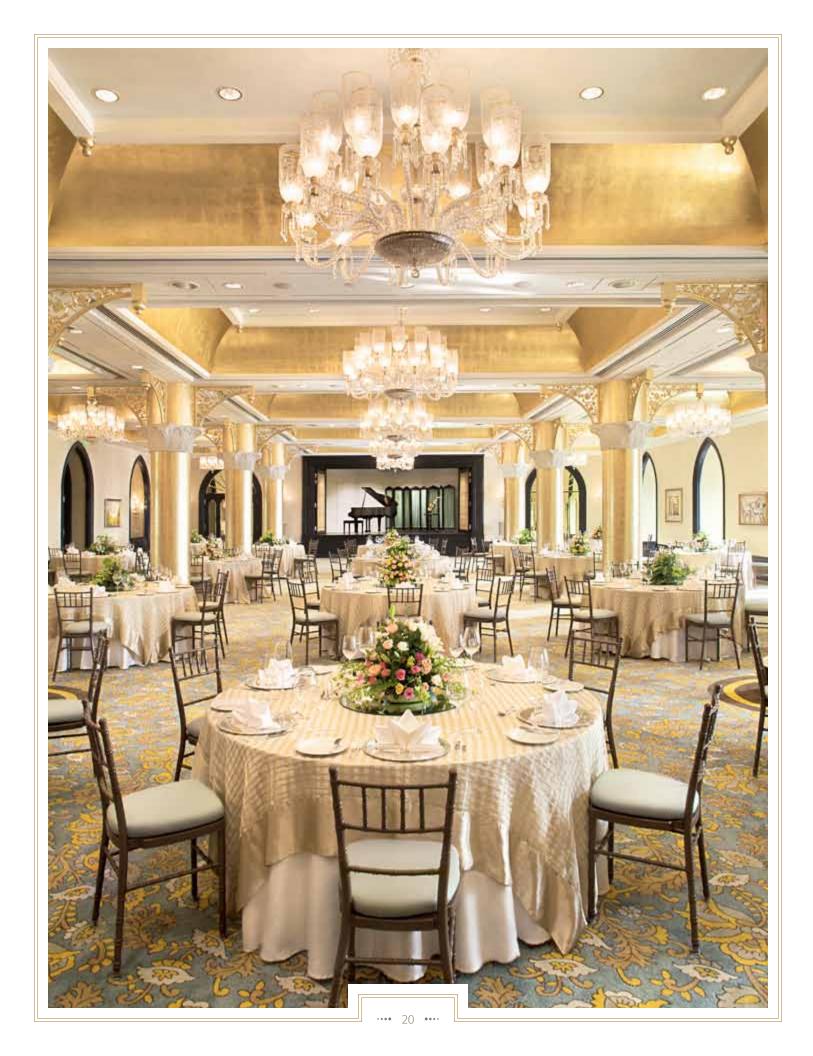

It is, after all, the palace that took its place in history 21 years before the Gateway of India. It is the dome that features in every artist's etchings of the Mumbai harbour. It is the first hotel in India to have had electricity. It is the hotel that housed India's first ever licensed bar.

It is where Hussain, Jahangir Sabavala, Ara and V.S. Gaitonde hang their works in a manner that can only be described as matter-of-fact. It is the place where the old Palace Wing still makes you speak a little softer once you enter its hallowed corridors. It is the Taj.

And as for the romance that surrounds it? How would you like to be married in a place where Lennon and Yoko Ono spent five days in a suite without stepping out for even a minute? Or where the Beatles could have composed a love song?

As for the experiences that The Taj Mahal Palace, Mumbai, offers, we recommend a wedding night at our heritage Rajput Suite — where a single touch button lights up this carefully restored suite that is distinguished by an antique swing. Or an intimate dinner at Hemant Oberoi's signature Chef Studio — where ambrosial food decorates Versace designed Rosenthal crockery and wine is drunk in Riedel goblets as a toast to the beginning of your life together.

THE TAJ MAHAL PALACE, MUMBAI

# BALLROOM AND CRYSTAL ROOM - THE TAJ MAHAL PALACE, MUMBAI

TRUE TO TRADITION, THEY STILL ECHO WITH THE SOUNDS OF LAVISH FEASTS BEING SERVED ON PURE SILVER SALVERS. MAKING THEM THE PERFECT VENUE FOR GLITTERING WEDDING EVENTS SUCH AS YOURS.

In the 1920s, it was where the Maharajahs entertained lavishly as guests vied with each other for a repeat invitation. In the 1930s, it was the first place in India to witness the birth of jazz, cabaret and the tango. In the 1940s, it was the first air-conditioned ballroom. In 1980, it was the first to bring down Michelin-star chefs and change the palates of the country forever.

Today, these versatile rooms with their carved pillars, 19th century chandeliers, mirrored ceilings and Baroque architecture, are still reminiscent of the twelve-bar blues. They still tell tales of sit-down dinners, when Mumbai was Bombay and Bombay ended at Bandra. They still have stories of how these rooms were resplendent with the bejewelled turbans of the Maharajahs. And, true to tradition, they still echo with the sounds of lavish feasts being served on pure silver salvers. Making them the perfect venue for glittering wedding events such as yours.

# TAJ FALAKNUMA PALACE, HYDERABAD

# IN URDU, IT MEANS THE "MIRROR TO THE SKY". IN HISTORY, IT STANDS FOR THE DECADENT AND EXTRAVAGANTLY BEAUTIFUL HOME OF THE NIZAMS.

Taj Falaknuma Palace is the palace that was once home to the world-renowned Kohinoor and Jacob diamonds. It is said that the treasure chests of this palace once held enough pearls to pave the streets of Piccadilly. As the former residence of the most extravagant of all members of royalty, Taj Falaknama Palace is a museum of luxury. Chatvoyant tapestries made of metallic copper yarn, Venetian and Belgian cut-glass chandeliers, a Jade room, a Billiards table that has its duplicate

only at the Buckingham Palace — the list could go on and on. This palace is now lovingly restored under the personal supervision of Her Highness Princess Esra and stands gleaming 2000 feet above the rest of the city and many feet above the rest of the world. With a banquet on the world's largest dining table and a night at a suite that comes with its own private swimming pool, a wedding here is as much of a glorious journey into the past as it is a celebration of your present.

IT IS HE WHO MAKES MEALS FOR HUNDREDS AND THOUSANDS TASTE LIKE THEY'VE BEEN PLATED AND PREPARED BY HAND FOR A TABLE OF TWO. FOR IT IS HE WHO WALKS THE DUSTY MARKETS PICKING OUT THE FRESHEST SALMON AND THE GREENEST ASPARAGUS. HE WHO INSISTS ON THE SOUS CHEF'S PASTA BEING ONLY AL DENTE. HE WHO PATIENTLY PAIRS EVERY DISH WITH A BOTTLE OF A CLARET, A CABERNET OR A PINOT NOIR. HE WHOSE ART OF BROILING, GRILLING, BASTING, SAUTEEING CREATES A SYMPHONY OF MASTERPIECES. IT IS HIS GARNISH THAT MAKES FOOD LOOK AS GOOD AS IT TASTES TO THE DISCERNING GOURMET. IT IS HIS CAREFUL ANTICIPATION OF A THOUSAND PALETTES THAT SETS THE TONE FOR AN UNFORGETTABLE BREAKFAST, BRUNCH, HIGH TEA, COCKTAIL OR DINNER. AT THE TAJ, OUR CHEFS COMMAND AN INTRICATE KNOWLEDGE OF ALL LOCAL AND WORLD CUISINES AND ENOUGH FLAIR TO EXPERIMENT FOR FUSION AS WELL. IT IS A WELL-KNOWN FACT THAT THE DIGNITARIES WHO DINE AT OUR HOTELS ARE SERVED BY CELEBRITIES OF EQUAL STATURE IN THEIR OWN **CULINARY CIRCLES.**

# AN INNOVATION IN WEDDING CUISINES BY GRAND MASTER CHEFS

The days of lavish feasts and opulent dishes are passé as our Chefs' bite-sized culinary delights decorate Noritake platters with flair. Most suited for an intimate and exclusive celebration, the options that play havoc with your palate could be as diverse as dimsums and sushi, tapas and salmon, cold spread buffets, turkey and tortilla wraps, chicken kebabs, pita pockets and tempuras.

Fusion cuisine could be another talking point with caviar panipuris, shrimp papdis with indian spices and tamarind chutney capsules. The more adventurous could let the fine wines give way to a refreshing range of sugarcane, guava and black chaat masala sorbets. For dessert, anything from silver salvers arranged with saffron-garnished dessert to exquisitely arranged dessert stands of crème brulee goes.

NO MATTER WHAT YOU CHOOSE, THE MASTER CHEFS AT THE TAJ WILL GIVE YOUR WEDDING FEAST A CULINARY TWIST.

AT THE TAJ HOTELS, WE HELP YOU PLAN YOUR WEDDING TO MAKE IT THE UNFORGETTABLE EXPERIENCE THAT YOU ALWAYS DREAMED OF. OUR EXPERTISE IN PLANNING WEDDINGS COMES FROM YEARS OF EXPERIENCE AND SETTLING FOR NOTHING BUT THE BEST IN BUSINESS. WE CAN CONNECT YOU TO THE RIGHT PEOPLE AND HELP CREATE THE INTRICATE NUANCES THAT MAKE FOR A SPECTACULAR EVENING.

MEHENDI ARTISTS: The groom will have to search long and hard for his name, hidden in exquisite, classic, traditional Indian Bridal Mehendi or modern motifs, by the most skilled mehendi artists.

PANDIT/PRIEST: As you walk around the fire or down the aisle, we will make sure that you have a priest to guide you through and perform the sacred ceremony.

 $3^{\text{MAKE-UP ARTISTS:}}$  Look your best on this momentous day, as we connect you to some of the most reputed and trusted make-up artists.

CHOREOGRAPHER: Left feet have no place on your wedding day. We will connect you to a wedding choreographer who will make sure that you get every dance step just right.

**SENTERTAINMENT:** Make it an event to remember by choosing from the best DJs in the country. You can also have the untainted melody of live entertainment with some of the most talented musicians and bands in the country.

DECORATORS: It's the most beautiful day of your life. From flowers, draping centrepieces and ceremonial pavilions, our list of decorators will make your setting look the part.

FIREWORKS: Technicians can be hired to create a spectacular display of pyrotechnics that will enthral all your guests.

8 PHOTOGRAPHER: Memories are wonderful, but being able to summon scenes of such revelry by just flipping an album cover is priceless. We can arrange for the best in the business to capture your special moments on camera, so you can preserve them for posterity.

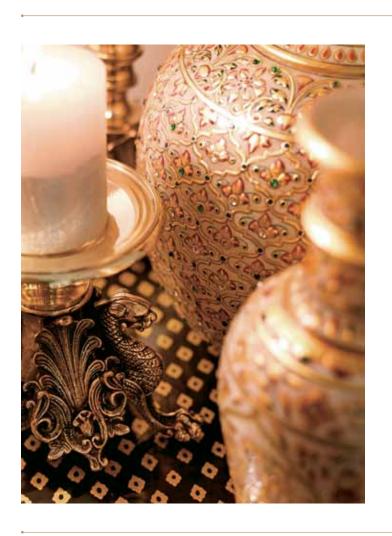

THE BEST WAY TO PREPARE YOURSELF FOR YOUR BIG DAY IS TO GO BACK IN TIME. THE JIVA SPA PRESENTS THE BRIDAL BOUQUET, FOUR FAIRYTALE WEEKS OF SOOTHING RITUALS AND TREATMENTS THAT DRAW ON THE ANCIENT INDIAN SECRETS OF BEAUTY.

As much as you might enjoy planning your wedding, both you and your body need a break from the hectic schedule. And since there is no instant mantra for beauty, you may as well take the time off and pamper yourself at the Jiva Spa. Choose from our menu of therapeutic and traditional beauty treatments and plan your rejuvenation programme with our therapist, without even checking in. Our services are especially crafted, offering brides and grooms the perfect way to unwind before their wedding day.

You could begin with rejuvenating scrubs and wraps like the Prithvi Mrit and detox scrub, and refreshing facials such as the Anna Lepa facial and the Jiva Signature Facial. Calming yoga and meditational therapies like the Pranayam and Yoga Nidra could follow as part of your beauty treatment. And if you're really feeling indulgent, opt for our exotic Indian therapies that include the Champi - an invigorating head massage, Pada Mardana - a soothing foot massage, and Prista Mardana - a relaxing back massage.

Our beauty rituals are spread over one month, giving you all the time you need to revitalize your senses and look your stunning best on the most important day of your life. And if you can't get enough, come back to us for 'soma', a special couple's treatment, to celebrate your love for each other.

WEDDING TROUSSEAUS ARE AS MUCH OF A WEDDING RITUAL AS TAKING YOUR VOWS. IT'S WHERE GIRLFRIENDS AND AUNTS GET TOGETHER OVER ENDLESS CUPS OF TEA AND DEBATE THE MERITS OF A BENARASI OVER A PAITHANI. IT'S WHERE FITTINGS ARE EVENTS WITH MUCH OOHING AND AAHING. IT'S WHERE BRIDES AND GROOMS, BRIDESMAIDS AND BEST MEN, MOTHERS-OF-BRIDE AND SO ON TAKE THE MOST MOMENTOUS DECISIONS - WHAT TO WEAR ON THIS IMPORTANT DAY.

The Taj Khazana is bursting at the seams with rich fabrics and gorgeous weaves. You can even get your bridal trousseau custom-made from Benaras with intricate heirloom designs that celebrate royalty, the abundance of nature or the mystique of the Indian jungles. And when it comes to fine jewellery and gifting, you will find that we have the genuine article - superbly crafted, original masterpieces that are a quiet reflection of the many influences on India's heritage.

# BY CAR

Your travel arrangements for your guests can be all taken care of by Inditravels. You, on the other hand, can make a fabulous style statement with a fleet of 32 Jagaurs and Land Rovers across India, a Bentley at The Taj Mahal Palace, Mumbai or a 1931 Stude Baker that has been awarded "full classic" status at the Lake Palace, Udaipur.

## BY AIR

For those who wish to charter a flight or many, Taj Air and PowerFly Vacations give you an option of booking a jet, a turboprop or a helicopter at your convenience, anywhere in the country. The Taj Air fleet itself consists of 2 falcon 2000 jet aircrafts, and has now expanded to include a Falcon 2000LX jet and p.180 Avanti II turbo propeller aircraft that have flown to more than 150 airports in 56 countries.

# BY YACHT

Available at The Taj Mahal Palace, Mumbai, and The Taj Exotica Resort & Spa, Maldives, our luxury yachts offer a variety of cruises and escapes and a private butler. You can complete the experience with fine wining and dining and some spectacular views on both locations.
